BOH Case 26-01 - 19 Fish Road (21-V-233A)
This proposal is to construct a septic system that does not meet setback requirements from its own existing well. The drain field is proposed to be approximately 50 feet from the owner's own well, where 75 feet is required. Relief is requested from Section 102.2 of the Town's Sewage and Waste Disposal System Regulations (WIN 2:06:22:06) for the placement of the proposed septic system.
