Applicant - Benchmark Engineering, Inc.
Owner - Indian Rock Office Park II, LLC.
Location - 1B Wall Street
Zoning District - Business Commercial A District

Variance relief is requested from Section(s) 706.4.2.2 and 706.8, to allow multiple tenant building signs that are larger than allowed in the town's ordinance. Specifically from Section 706.4.2.2 of the ordinance to allow a building sign for each of the tenants along the front NH Route 111 side and the rear Shaw's driveway side, where the ordinance only allows (1) wall sign per each occupant where the façade of their space fronts. For this building the front and rear of the building façade is 3,775.5 +/- sf in area, which would allow up to 31.4 sf of signage for twelve tenants, on the front and rear of the building. Also to allow the end of building (Wall Street) façade is 1,641.9 +/- sf in area, which would allow up to 164 sf of signage for two tenants, a 31 sf sign, for each of these tenants, where the ordinance allows building signs of up to 100 sf or 10% of the square footage of the building or tenant façade, or whichever is less.
