Windham Senior Center, 2 N. Lowell Rd Windham NH  
Monday, February 2, 2026**

Peter Griffin called the meeting to order at 10:30am.

**Members Present:**

Peter Griffin, Kathleen DiFruscia, Cheryl Haas, Michael Branley, Dennis Senibaldi.

The Committee discussed the available money and options for projects. There was a lengthy discussion on the walkways from the Bartley House Parking lot to the buildings as well as a flashing beacon crossing N. Lowell Rd from the Bartley House area to the Town Hall area. There was also discussion on landscaping in the Town Hall area, and around the Bartley House and Senior Center. Kathleen noted that she really wants to address the safety issues and make areas look better with landscaping, etc. Dennis noted that he does not recommend any trees near or around the Town Hall due to their growth and roots.

Dennis is going to put together specs and a bid for the walkways and flashing beacon.

It was decided that Peter will contact Lise McNaughton (designer) to have her meet with the Committee regarding designing around the Senior Center and Bartley House.

Peter asked about art installation. Mike Branley made a motion, seconded by Dennis Senibaldi, to table the art installation for a year; the vote passed unanimously 5-0.

The Committee will be informed when the meeting is scheduled with the designer.

Kathleen DiFruscia made a motion to adjourn at 11:25am, seconded by Dennis Senibaldi, the vote passed unanimously 5-0.

Respectfully Submitted:
