OLD VALUES – NEW HORIZONS

Date

May 7, 2025, 11:30 AM

Location

Part 1: Town Clerk's Office, Windham, NH

Part 2: Conference Room, Bartley Building, Windham, NH

Attendees

Alberto Chang, Tom Earley, and Dave Martsoff

Shannon Ulery, Deputy Town Clerk and Candis Johnson, Town Clerk (Part 1)

Deb Padykula, Finance Director (Part 2)

TD Signatory Authorization

The three Trustees met at the Town Clerk's office and had Gale Littlefield, Windham Assistant Town Clerk witness and notarize the 3 signatures of the Trustees on two forms: (1) Governmental Entity Certificate of Resolution, and (2) Government Banking Account Maintenance. Alberto Chang will send the signed documents to Tracey Whipple of TD to ensure the correct Trustees are the authorized signatories for the account.

Digitizing Stock Certificates

Suzanne Moran of TD reported that she has been in contact with numerous folks in her back office. Ms. Moran reported that they followed up on the research she began and drew many of the same conclusions regarding the approximate values of the shares. Ms. Moran reported that the shares that seem to have the most potential promise would be those titled as Allied Signal (now known as Honeywell). Ms. Moran reported that the share certificates are titled in the name of Trustees of Armstrong Memorial Building and "Town of Windham Trustees of Trust Funds".

Ms. Moran reported that the best (and only) advice they have is for the Trustees of the Trust Funds to contact the transfer agent for each of the shares that we believe has value. Ms. Moran provided recommended contact information for the various transfer agents for each of the share certificates and that the Trustees would will need to contact them to see what they require for the Trustees to be able to submit and subsequently sell the certificates.

OLD VALUES – NEW HORIZONS

TD provided the following valuations based on their initial review:

| Certificate Number | Company | DTD Date | Original Shares | Notes | Share Recalculation | Rough Est Value as of 10/24/2024: |
|--------------------|--|------------|-----------------|---|--|--|
| AS88918 | Allied-Signal Inc. | 11/1/1985 | 226 | Allied-Signal distributed a 2 for 1 stock split on 03/14/1994. I believe that Certificate AS365950 represents the shares awarded from the split of certificate AS88918. On June 7, 1999, AlliedSignal purchased Honeywell but chose to keep the Honeywell name. They swapped 1.875 shares of Allied Signal for each share of Honeywell. | 904 shares of AlliedSignal= 482 shares of Honeywell | Share Price ~ \$206.64 |
| AS365950 | AlliedSignal Inc. | 3/14/1994 | 226 | | | Total Value ~ \$99,598 |
| AS453746 | AlliedSignal Inc. | 9/15/1997 | 452 | | | |
| WM44479 | Waste Management, Inc. | 10/30/1998 | 4 | Waste Management split many times, but all prior to the dtd on the certificate | Not necessary- total shares remain at four (4) | Share Price ~ \$208.13 Total Value ~ \$832.52 |
| LU0124486 | Lucent Technologies, Inc. | 9/30/1996 | 14 | As Lucent, the stock split twice- once on 02/04/1998 bringing the share count to 28, and again on 04/05/1999, bringing the share count to 56. Lucent merged with Alcatel on 11/30/2006. Each share of Lucent= 0.1952 shares of the new Alcatel-Lucent. No fractional shares were issued. Instead, a cash payment was distributed for the value of the fractional share. In 2016, Alcatel-Lucent was acquired by Nokia at an exchange ratio of 0.55 shares | 56 shares of Lucent= 10 shares of Alcatel-Lucent 10 shares of Alcatel-Lucent= 5.5 shares of Nokia | Share Price ~ \$4.86 Total Value ~ \$26.73 Certificates available for sale on the internet |
| TPC6507 | Power Control Technologies | 8/28/1995 | 12 | I could not figure this out- one place I looked indicated there was no value but another place indicated that maybe there was- I don't know what these are and do not want to make a mistake. Tom Earley suggested to contact our town's legal counsel, Bernie Campbell, and reach out for his recommendations to ensure that the Trustees handle these assets appropriately and in keeping with best practices given the names of certificates are not "Trustees of the Trust Funds." The Trustees voted unanimously to contact Mr. Campbell for counsel given that the current Trustees lack clear documentation regarding their original purpose or designation.

Dave Martsolf volunteered to review old minutes stored at the Town Clerk's office to see if there is any documentation regarding the purpose of the stock donations.
