HIGHWAY SAFETY ISSUES

ADDRESS CHANGE REQUEST – WOODVUE ROAD

Properties at 43, 43A and 43B Woodvue Road are currently owned by the same family with the intention of selling the property at 43 Woodvue Road. To be compliant with 911 requirements, Chief Caron suggested the following address changes: change 43 to 39, change 43A to 43 and change 43B to 41. Bob Coole made a motion to accept these proposed changes. Jack Cartland seconded. The motion passed unanimously.

SPEED BUMP REQUEST – BALMORRA ROAD

A resident on Balmorra Road observed high speed traffic on this cut-through road and is requesting speed bumps be installed to reduce the speed of traffic on this road. It was noted that speed bumps would hinder both road maintenance and First Responders. Chief Caron indicated that a speed study had previously been conducted and that a new study is currently underway. Additionally, select/extra enforcement has been deployed.

The HSC is not recommending the addition of speed bumps on Balmorra Road. Chief Caron will convey this message to the requesting resident on Balmorra Road.

No other information came before the committee. The meeting was adjourned at 9:50 am.
