

## Windham Cemetery Trustees Meeting -DRAFT

July 7, 2025- Windham Senior Center

The meeting opened at 3:05pm. Present were Wendi Devlin, Frank Farmer and Barbara Coish, Trustees and Bruce Moeckel Alternate Trustee. Also present was Tim Brink, concerned citizen.

We addressed Tim Brink's issue first. An error had happened and a base for the Brink's monument was placed on the incorrect lot by Kyle Sawyer our new cement contractor. Coliizzi originally had the incorrect information, which was corrected but the information did not get to Kyle. Kyle will correct this issue. The whole issue has been frustrating to the Brink's and we understand.

Kyle Sawyer could not attend the meeting in person. Wendi put him on the phone to join the meeting. Wendi moved; Frank second to the following motion. The Windham Cemetery Trustees contract with Arco Excavators (Kyle Sawyer) to install all cement bases for monuments at the contract price of \$200.00/sq ft each. Veteran's flat markers will be free. Vote unanimous 3-0. Bruce would have been a positive vote if he was a sitting Trustee.

The update on the well issue is that we are still waiting for the pump to come in as ordered by the irrigation company. In a phone call with Scott Pumbo, he stated that per our request he will ask the irrigation company to go ahead and install the pump or go ahead and tie the cemetery into the ballfield well. We anticipate the issue to be resolved soon in one way or the other.

There was a discussion on the grass cutting by Boyden our new contractor for groundskeeping. It appears the grass may not be being cut as often as needed. We will follow up with Boyden.

Wendi has decided that she wishes to no longer be the Chair. Wendi moved, Frank, second that Barbara Coish will serve as Chair. Vote affirmative 2-0-1. Barbara Coish abstained. Bruce would have voted affirmatively if he was seated.

The next Cemetery Trustee meeting will be July 28, 2025 at 3pm at the Senior Center.

The meeting adjourned at 4:45pm.

(Since the meeting adjourned Bruce has sent photos of the conditions of the grass and trash on the Hill which are disturbing)
