Town Day - July 1st

Town Beach Opens in June

*Don't forget to pick-up your Beach pass
when we open.*

*"I am so glad we received the notification about the Christmas Tree Lighting...
The kids and our parents loved it."*

Today's world as we all know is a hectic, chaotic place, full of work, sports, learning, and leisure. While the past hundred years or so was mostly about reaching the place we are now, it came at a cost. How well do you know your local government? I realize that most of you simply do not have the time to learn more. We are getting kids to school, practice, our self to work, and the mundane chores of everyday living take precedence. Happily, the digital age is giving us back the opportunity to engage with our local community and participate in a meaningful way with the leaders of our community, to understand and influence the direction it takes into the future. So share this with your family, neighbors, and friends, ask them to take the time to find out more, and become a part of Windham's Connected, Informed, On-line Community.

[Eric DeLong, Director of Information Technology, Manager of GIS](#)

Windham Online

The two most useful features available to every resident, business and potential visitor to WindhamNH.gov is [Notify Me](#) & [Civic Alerts](#)

Civic Alerts – Is our Emergency Management alert system, Amber Alerts, and other life safety occurrences.

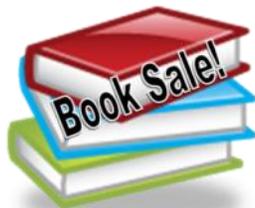

Notify Me – You can stay informed about almost everything the Town is doing by signing up. Get as much or as little information as you want, manage your subscriptions and stay informed about Office Closures, Road Conditions, and many types of Town Events

Once you sign up with an Email and/or Text Message, you become a member of Windham’s digital community, choosing from over 20+ different types of notifications, allowing you to freely choose just how much information you are interested in, here is a partial list of the most popular options:

2019 Annual

Strawberry Festival

*Windham High School
Save the Date!
Saturday, June 1st
11AM – 5PM*

Learning, Research, Entertainment

Nesmith Library, Windham's public library, is the heart of the community. Like every public library, it sponsors activities and events for all ages, and serves as a place to read, study, and meet. However, that's not all Nesmith Library does--

Through membership in the GMILCS consortium, Nesmith Library borrower cards are valid at 12 regional libraries. As a cardholder you have access to over a million books, CDs, DVDs, other materials, plus CloudLibrary eBook services. Explore the offerings through Nesmith Library/GMILCS online catalog.

Nesmith Library cardholders also have access to New Hampshire Downloadable Overdrive service, a collection of eBooks, eAudiobooks, and eMagazines made possible through NH State Library. You can download to your smart phone or device 24 hours a day, 7 days a week!

Find links to the downloadable resources, museum passes, and MORE at the Library's website:
